The Waily Morning Post. PITTSBURGH, PA. SATURDAY MORNING, MAY 11, 1844. NATIVE ABERICAN MERTING.-We under that a Native American meeting is to be held this af ternoon, is the Market House. This step is highly improper, men cannot reason calmly, and act with liegration, in the present excited state of the public mind, and nothing can be expected from such a move ment, other than exasperating those bitter feelings that it should be the effort of all to allay. Finz:-Between twelve and one o'clock on Thursday night, a fire broke out in the Carpenter shop of Mr Youro, on Smithfield street, between Sixth and Virgin Alley, but it was extinguished before the Engines arrived, or before any great damage was done. It originated from an old man, who occupies the cellar, going up stairs with a lighted piece of paper, and dropping it accidentally on the floor. COAL DIGGERS AURD FOR CONSPIRACY. - Mr ROB-ERT NIKON, of Allegheny, who is the owner of a number of coal pits near Saw Mill Run, has prosecuted some twenty-five or thirty diggers, formerly in his employ, for conspiracy. It appears that on the first of April they struck for an advance of wages, and their demands being complied with, they commenced work but struck again on the first of May. Nixon then turn ed their families out of the houses they had been occu, pying, and they prosecuted him for riot and assault -He, in his turn has sued them for conspiracy, and the case will be tried next court. The riot case had hearing before Alderman MILLAR yesterday. ATTEMPT AT SUICIDE .- A man named Lowrie living in the Fifth ward, made an attempt to commit suicide yesterday, by stabbing himself twice in the throat with a penknife, baving a blade an inch and a half long. The wounds are very bad, and he bled about a gallon before medical assistance could be had Dr McCRACKEN attended him, and sewed up the gashes in his throat, and it is thought he will recover .-When asked why he had attempted so awful a crime he said that the Bevil had tempted him! Mrs. DRAKE appears to-night as Mrs Haller in the Stranger. AFFRAY AND DEATH .- We learn from an authen tipsource, that an affray took place a few days since on the Clarion river, about fifteen miles from Brookville, Jefferson county, which resulted in the death of two persons, Dan'l Long and Sam'l Pnopsnyder, and seriously injured a third by the name of Phillis. to be owned by Propanyder, and that he and Long went for the purpose of forcing Green off They broke in Phillis came up immediately after and was knocked down with a club by men.

The parties to the whole affair were never consider ed quarrelsome, and it is deeply to be regretted that so tamentable be affair should happen. Green and his ion are injail. REGIMENTAL ORDERS.
