lan,Sullivan County, East Tennessee, Memberof Congress WASHINGTON, July 3d, 1838.

Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite besefit and antisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Ca.onbell county Tennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at his place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated edicine. Should you commission him he is willing to act for you. You consistent which be writing to act for you. You can rend the medicine by water to the care of Robert King & Sons, Knoxville county. Tennes-see, or by land to Graham & Houston, Taxwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennersee, a great deal of medi-cine would be sold. I am going to take some of it been or my own use, and that of my friends, and should like to bear from you whether you would like an agent at Bluntville, Sullivan County East Tennesser; f can get some of the merchants to act for you as I live near there
