Journal of Commerce says, that one establishment in that city alone turns out no less than a thousand clock a week, or over fifty-two thousand a year, of all descriptions, from a wooden one at twenty shillings, to be wound up every morniug, to one that costs \$100, only to be wound up every New Year's day. - Balt. In descending through the atmospher however, the rain-drops absorb a certain quantity carbonic acid, for which water has a great avidity, and which gives it its fresh and sparkling character, so that water deprived of its carbonic acid is always pec

Wassinston, July 34, 1888.

Bir-Bince I have been in this city I base used some of your Dyspeptic medicine with infinite benefit; and satis-faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Ca. other county Tennessee, wrote to me to send him some, which i did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Cennessee. If so, I would recommend Dr. A Carden, an a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to not for you. You can send the medicine by water to the care of Robert King & Sons. Knoxville county, Tennea-see, or by land to Grahem & Houston, Taxwell, East. Tennessee I have no doubt but if you had agents in several counties in East Tennersee, a great dral of medi-cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to bear from you whether you would like an agent at Biuntville, Sullivan County Bast Tennesse; I can get rome of the merchants to net for you as I live mear there.
