Myselfine and the second secon wis, generated by a woman who had been beld as a Freedom, on the ground that she was a free born white, of German parentage. The story on which the suit was then stated to be based, was that her parents had been brought to this country by the man who now held been brought to this country by the man who now held ber ab a slive, and that they had entered into a con-tract to serve him for a slipulated time in pay for their passage. That previous to the expiration of their torm of service they both died, since which time she

hed been held and sold as a slave. This version appears "to have been entirely incorrect, as we now learn that she states that she was kiduapped from the residence of her parents in Hatford county, not far from Baltimore, when she was quite a small girl, thirty years the attention of his customers and the public generally ngo. An agent has arrived in this city to take testi-

CHANGES IN THE MISSISSIPPI. Harbor of St Louis .- The necessity for prompt action in the improvement of Western waters was never so urgent as at present. A paragrapt, which we MERSEILLES CACHMERE, copy belaw from the Alton Telegraph shows that there is great and immediate danger that the Mississippi op- scription. posite St Louis, will take its course through the American Bottom, and change its channel altogether.

In the late report made by Capton on the har-"bor of St Louis, the extraordinary fact is shown that escription of the mouth of the Missouri River has, in about twenty years, moved two miles up the Mississippi and that it is constantly moving up; a fact which is accounted for by another, that the current of the Missouri is much more rapid than that of the Mississippi and as a ried assortment of seasonable goods for sale at a small necessary consequence, when they meet the stronger advance on their original cost, and keeps them constant-

is each year abraded, so that the river is gradually approaching what is supposed to have becauts old bed. The greatness of the danger may be seen from the
