## The Daily Morning Post. PITTSBURGH, PA. MONDAY MORNING, MAY 27, 1844. We are indebted to Hon. JOHN TIEBETTS of Kentucky, for a copy of his speech on the Tariff Bill. THE AQUEDUCT .- This structure is again giving way. On Friday and Saturday it sunk some feet, and cracked and tottered when passengers would cross. On Saturday the water was let out, and arrangements made to repair it. DROWNED-A colored boy, son of the Rev A. D. Lewis, while fishing above the dam on Saturday last, was taken with a fit, and fell into the River, and was drowned. His body was recovered in a few minutes and attempts were making to restore life,. MILITIA MUSTER.—On Saturday, we had the grandest and richest Muster we have witnessed for many a year. The indomitable and invincible 87th Regiment so poculiar to the system, and until 2 o'clock, made a darned fuss and prodigious noise. Some were attired 2 1 M. turned out in all the "pride, pomp and circumstance" as Indians, others as Negroes; one was dressed as a ludy, and wore an enormous bustle, and tipped along as gracefully as she knew how. The heads and bodies of most of them were decorated with devices of some kind or other and some delicated. kind or other, and some delightful music from a num- for the ber of tin borns, inspired them with martial valor. If the object was to bring the system into ridicule, it House was pretty well got up but we doubt if it can, by any | and th burlesque, be consigned to a lower depth than it now ment o occupies. FIRE .- The Eagle Engine House was burnt on Sat. urday night, or rather Sunday morning. We understand there is no doubt but it was the work of an incendiary, as the bell rope was cut off short so that no alarm could be given. ARRIVAL OF GEN. TOM THUMB .- This distinguished character arrived in this city from New Orleans, Plans bound to New York, and has taken rooms at the American Hotel, and will receive visitors at the same for two days only, his engagement being such in New York Scient his stay cannot be protracted.
