The Senate then passed upon several private bills, and ting the submission that was due to the laws, they at- went into the consideration of executive business. The remainder of the day was spent thereon. In the House to day a number of reports were made

the way, and the multitude vented a portion of its rage House then resolved itself in a Committee of the Whole on the state of the Union, Mr White, of Kentucky, in the Chai , and took up the bill to amend the several acts providing pensions for the widows of revolutionary officers and soldiers. After discussing and nt, the committee rose and reported progress, and the House adjourned

Globe Friday. THE SQUATTER IN THE WHITE HOUSE. We make the following humorous extract from the debate on the pre-emption bill in 1833:
IN SERATE JANUARY 30, 1838. Mr CLAY of Kentucky, said:
"How was it with that White House, now so amply

furnished—with that famous east room, and the little man who occupies so small a part of it? Suppose a would like that journal or any of the other organs, that this house is too large for you; I am an industrious culthink that rag moneynabobs have a privilege to prey upon the hard working people with impunity, to controvert one of the facts stated.

Intia nouse is too targe for you; a am an intustrious curtivator, one of the bone-and-sinew men, and claim a pre-emption to part of this house. Would be not have as much right to squat down there as to squat down on the public lands? When and where were down on the public lands? H. A. MUHLENBERG. from the Westmoreland Argus, a democratic paper after year until the best of the public domain passed

conduct of the adopted citizens to justify in the slightest manner, the odium and outrages that have been be used by a band of speculating politicians to adthe sid of the Secutor from Kentucky, against the will

Ronds 1838, page 142.

Six years have rolled by since Mr. CLAY was so fearful that some "squatter" would "squat down in the White House!" It now appears that he wants to aquat there himself. Is he "a pre-emptioner"? We know he once declared himself to be in the line of safe precedents, but the people did not ratify the bargain than! Upon what does he found a claim of pre-mption to the White House? Is it upon his abuse the real pre-emptioners? His vote to raise the price of their land? His vote to expel them from their improvements with Government troops? Or does he found it on his love for the old countrymen, whom he

We think these People will be apt to put their vet now on Mr. Clay's claim to pre-emption on the White House, as he did on their claims in 1838. They will be apt to consider him an "intruder" as much so as Mr. Adams was, whom Mr. Clay put i the White House in 1824 .- Ia. Sentinel.

INTELLIGENCE FROM PHILAD ELPHIA. [Correspondence of the Baltimore Sun.] PHILADELPHIA, Friday P. M.

> Bonds Burnt.-Yesterday morning the Finance S Baird, Committee of Municipality No. 1, assisted by Mr. Samuel Ashworth, Montegut, the Mayor, and others, burned \$1,500.000 Alex. Holstein, worth of municipality Bonds. These bonds were issued in 1838, by order of the First Municipality, and John Bishop, Dennis Prieur, Esq., was sent over to Europe to have them negotiated. In this, however, he did not succeed, and, the bonds being of no value they were ordered to be with Irawn. Last Monday, on the advice of the present Mayor, they were ordered to be destroyed, and resterday this order was carried into effect by throw ng them into the furnace of the steam-ferry boat o the First Municipality. There were over 3000 bonds of £100 each destroyed in the above manner.—Pic.

Imports of Specie. - From a table in Hunt's Merhant's Magazine, furnished from the Treasury Department, it appears that the amount of specie imported into the United States in the year 1343, was \$23. 742,633. Of this amount \$17,254,470 were in gold. and \$6,032,076 in silver. This is greater by about 6.000,000 than the imports of any year since 1811.— The amount exported in 1843 was \$3,118,399.

The annual report of the Philadelphia Home Missionary Society read at the anniversary of the society on Wednesday, states that during the year ending N. Striner, April 15th, 1844. 61 missionaries were employed by the Society; 93 congregations were aided; the additions John C. Schinert, to churches through its means numbered 563 souls, and 6000 children and youth were collected weekly and taught in Sabbath schools. The receipts during the year were \$10,572 10, exceeding by \$1000 any sum collected in the same period in previous years. Be-sides this, various and valuable donations of clothing have been sent for use of the missions. The society was organized in 1840, and had then in its employ 30 missionaries, whose labors were extended to 38 congregations. The first year it had fifty missionaries and aided 67 congregations; the second it had 60 missionaries and aided 80 congregations; the third it had 61 missionaries and aided 86 congregations; the 4th it had 61 missionaries whose labors were extended to upwards of 90 congregations. The first year the receipts were \$7,609 65; the second \$8,923 26; the third
