## CATURDAY MORNING, JUNE 22, 1844.

An article that we had prepared for this morn a strong giving the editor of the Gazette the "par raphe" in which he abused Mr Clay, has been crowd I out by matter of more importance. It will appear Donday,

ALAQUIPPA .--- We understand that the steame laquippa while on her upward trip, broke one of her agines, a short distance below Wheeling. No loss of ives, that we could learn.

MERTING AT MASCHRETER. -- The POLK and DAL-As Club of Manchester had a very large meeting of Thursday evening. Much as we have seen of the unanmitg,and eathusiasm of the Democracy in the present ampeign, the numbers and heartfelt energy of the Manchester meeting surprised us. It was addresse by Coll HAMILTON, Mr JANES WATSON; R H KERR, Eng, and W H SELTE; and dispersed with three ringing choors for POLK and DALLAS.

A CHARGE .- Last year the Clay Club declared that the Gasette had been engaged in misrepresenting the views of Henry Clay on the subject of protection .---The Gazette is now the organ of the Club, but it has never yet retracted its misrepresentations of the whig candidate. Have the Club come over to the views of june 17 Mr White and now agree with him that Clay did "thretils the Tariff?"

THE CANAL BOARD .-- We publish this morning the opinion of the Supreme Court as delivered by Judge Grason, respecting the constitutionality of the law under which the present Board of Canal Commisrioners was elected. The opinion folly sustains the

DRUGS AND GROCERIES .- Mr Haworth advertises a fine assortment of Drugs, Groceries, &cc, at hisstore in Federal street, Allegheny. He is an accommodating business man, and his articles are of first rate quality.

A paper was started at Nauvoo, a short time since, called the Expositor. We do not know the precise obaracter of the sheet, but its course was offensive to the Prophet, and in order to put it down, he had an ordinance passed under which it was declared to beamuisance, and the City Murshal of Nauvoo, at the head of a posse, repaired to the office, took out the materials, and burnt them on the street !

An Editor Wanted .- The conductor of the "Mon rovia Lyninary,' a paper published in a place in Afri-ca, the name of which is designated by the title, advertises for an assistant editor who is required to be what testind usy termed a "Jack of all trades," for he hints at the requisit qualifications after the following fashion.
