IVER COMPLAINT cured by the use of Dr Harlich's compound Strengthening and Aperient Pills. Mr. Wm. Richards, of Pittsburgh, Pa., was entirely cured of the above distressing disease. His symptoms were pain and weight in the left side, loss of appetite, vomiting, acid eructations, a distension of the stomach, sick headache, furred tongue, countenance changed to a citron color, difficulty of breathing, disturbed rest, attended with a cough, great debility, with other asymptoms indicating great derangement of the functions of the liver. Mr Richards had the advice of several physicians, but received no relief, until using Dr Harlich's medicine, which terminated in effective means of the most pleasant tooth washes now in DAVID HUNT, Dentist.

Piltsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.
