THE DAILY MORNING POST.
The CASE OF BISHOP ANDREW.
The members attached to the Methodist Episcopal Church in Charleston, S. C., have held a meeting and passed resolutions disapproving the proceedings of the General Conference in the case of Bishop Andrew. We give a portion of the resolutions adopted.

"We feel it to be an act of justice, and it affords us unfeigned pleasure to state, that we heartily approve of the sentiments expressed by our venerable senior superintendent, the Rev. Joshua Soule, in his speech delivered in behalf of himself and his fellow-clergy. It gives us pleasure to state further, that the conduct of Bishop Andrew, look to the premises, and during the progress of the discussion, and in his final determination, has been such in our judgment, as to advance the cause of truth and christianity."
