

**The Daily Morning Post.**

PIITTSBURGH, PA.  
SATURDAY MORNING, JULY 6, 1844.  
PITTSBURGH BOARD OF TRADE.  
COMMITTEE FOR JULY.  
Josiah King, J. Carothers, W. J. Howard.

**DEMOCRATIC COMMITTEE OF CORRESPONDENCE.**  
The Committee of Correspondence appointed by the late County Convention, will meet at the Court House, in the City of Pittsburgh, on Saturday, the 20th day of July, at 10 o'clock A. M. The punctual attendance of the members is requested as a business of importance will be laid before the Committee.  
July 2nd, 1844.

**THE CELEBRATIONS OF THE 4TH.**—The 68th anniversary of Independence Day, passed off very pleasantly in this neighborhood, we have no recollection of a similar occasion when there appeared to be such general enjoyment among all classes. We have never known so many parties to the country as this year, and from the accounts they give of their excursions, we have no doubt they all had a pleasant time of it.

**THE FAIR.**—The Fair is said of the Fifth Presbyterian church will close to-night. The articles are of the most superb kind, and as it is the last chance they will have, it is to be hoped that none will neglect going, we can assure them they will never regret it, as the articles are curious, and well worth seeing. We understand that some Canary Birds are to be sold at Auction to-night. Here's a chance!

**BOAT RACE.**—A race came off on the morning of the 4th, between the Richard Biddle and the William King Barge Clubs, for \$50 a side distance 5 miles. The prize was won by the King with ease, and in good time.

**HARRINGTON'S DIORAMAS.**—There was a perfect jam at the Theatre on the 4th. Many went away in the evening unable to get seats. There is to be a performance this afternoon at 3 o'clock, and at the usual time in the evening. The bills are very attractive.

**MISS CLARENDON'S READINGS AND RECITATIONS.**—The public will learn from a card in this morning's paper, that Miss CLARENDON, has, at the solicitation of many of her friends, concluded to give an entertainment of Readings and Recitations at Concert Hall on Monday evening. The selections made for the evening are from the most popular English authors, and as they will be given by Miss C., cannot fail to please all who may attend. The entertainment will be one of the most interesting that has been given in our city this season and it should ensure a large audience.

**CONCERT HALL.**—It will be seen by the bill, that the price for admission to the performances at the Hall has been reduced to 25 cents. Miss Lutz will dance this evening. The company performing at the Hall, embraces some of the best theatrical talent in the country; the dancing of Miss Lutz is almost unrivalled. No doubt this reduction of price will be properly appreciated by the public and result to the advantage of the managers.

**LIEUTENANT GOV. FOLEY.**—A gentleman just arrived from New York presented a most excellent lithograph likeness of Gov. Foley. Those who are well acquainted with Mr. F. consider it a most perfect likeness, and in other respects it is a finished picture. A few copies have been brought on and any of our democratic friends who wish to procure a likeness of the next President, can be accommodated by calling on our office.

**FIFTH STREET.**—We are requested, by several residents in Fifth street, above Wood, to call the attention of the Street Commissioners to the filthy condition of that street. It needs renovation as much as the Clay party.

**AS** the annual commencement of the Western University of Pennsylvania, on the 27th ultimo, the Honorary degree of Doctor of Divinity was conferred on the Rev. Charles Huston of Baltimore, Ireland, the Rev. Charles Cook of this city, and the Rev. Levi Bull of Chester County in this state.

**THE** St. Louis Reporter of last Thursday says the river is now at a stand at this place, and will begin to recede to day.

**MR. Loe**, who was shot some time since at Saint Louis, by Mr. Ford, for abducting his daughter, died of his wounds on the 25th ult.

**THE RIVER.**—A St. Louis paper of the 27th ult. says: At our present writing, 7 o'clock P. M., the river is in its usual channel, but the flow is so slow that a fall of water may be looked for every hour. In fact, it does not appear to be possible that it can go up much higher.

**Surrender of Joe Smith.**—We have some little additional intelligence from Nauvoo. Geo. JOYCE and the Nauvoo Council, or the persons who destroyed the "Expositor" office, are said to have surrendered and their persons to the officers in whose hands the writs against them were placed. They were taken to Carthage on Monday, where they arrived about 12 o'clock at night. An examination was to be had next day; they will probably be held to bail and let go again. Two hundred troops left Warsaw for Carthage, and it was thought with intention of killing Smith, at his hazard. We should not wonder if they did.—*Chic. Com.*

**MR. Ford** was held to bail to the sum of \$10,000 to appear for trial at the next term of the Criminal Court, the first Monday in July, for shooting Mr. Loe. The case is not regarded as one of murder in the first degree, which it is not a bailable offence.—*St. Louis Republican.*
