jy 4-d & w till 1st aug. PITTSBURGH INFIRMARY.

For the Removal of Deformities of the Human Frame and of Diseases of the Eye. The subscriber has returned to the city and in-

tends to establish an INFIRMART for the reception and treatment of deformed members; such as Club or Reeled feet, contracted joints, wry-neck and Strabismusor Squinting, and of Diseases of the

Gy e. There is no Institution of this kind as yet in this intry, though much needed.

Patients from a distance would find it to their adantage to be operated on and to be attended to in an establishment exclusively devoted to the restoration of the above named deformities and diseases

The easy access to Pittsburgh, one of the bealthiest pots in the country, by river and canal, almost at any and eason of the year, would offer great facilities for

se desirous of being relieved. His ample experience and well known success give officient guaranty that the welfare of those entrusted o his care will be greatly promoted. ALBERT G. WALTER, M. D.,
