Transportation Lines.

AMERICAN PORTABLE BOAT LINE. For the transportation of MERCHANDISE AND PASSENGERS.

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE, AND NEW YORK AND BOSTON.

THE PROPRIETORS RESPECTFULLY inform their friends and shippers generally, that they have arranged the names of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Deck Steam Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat Line over every other mode of transportation, is too well known to shippers generally to require comment; suffice it to say, that the detour, loss, separation and damage to Goods, invariably attending direct transshipments between Pittsburgh and Philadelphia, are by the Portable Boat Line, most effectually removed.

To give undisturbed security to owners and shippers, all the Goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Mechanics shipped by this line in any of the eastern cities, and engaged to H. Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commission.

H. Devine will receive produce consigned to him, pay account freight and charges, and forward the same to any of the eastern cities, and charge no commission for storage, forwarding or insurance. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.
