Mayor Harper in Disguise.—It seems by the Herald, that Mayor Harper is accustomed to traverse the ward in which he resides, incognito, in the Sakion of the respectable eastern rulers, whose curi ous adventures are related in the tales of the Arabian Nights. The other Sunday he started out to see if all the small grog shops were closed and approached the private entrance of one of them, kept by an Irishman, who knew the modern Caliph of Bagdad, through his disguise. His Honor knocked at the door, and out came the Irishman who pretended that he didn't know TWO DOORS ABOVE VIRGIN ALLEY. came the Irishman who pretended that he didn't know

WASHINGTON, JUNY 304, 10386. Sir\_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satu-faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Ca.onbell county ennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for yon. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & flouston, Taxwell, East Tennessee I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it homes for my own use, and that of my friends, and should like: to hear from you whether you would like an agent age Bluntville, Sullivan County East Tennesser; I can gew
