PRICE, TWO CENTS.

young woman; whose face was not visible to us, drop a letter into our bulk, and on raking it out we found that she had mistaken our establishment for that of the post office. It was directed to Thomas , in Its land, and the inland pastage accompanied it. The

much attention to a gentle tap at the door of our pri our labors without lifting an eye to the door, which was opened quietly and as quietly rice to the were startled at length with a sweetly modulated voice in quiring. Is there a letter for me?

We at once raised our eyes and saw a female about eighteen years of ago-or, as we have of him loss the art of judging closely in these manuers, perhaps twenty. It did not make a dimple's difference to her face, and would not, if five more years have been added to them.—There was an oval face with mature's own blush, and a slight projection of the mouth that sold of Ireland out the softened modulation of voice that be longs to the woman of that Island. Neatness was all that could be ascribed to her dress. It deserved that.

Letters are frequently asked for in a new spaper office in reply to advertisements—so we hade the young woman go to the front office, and implies of the clerks. She had been there, and there was no one but a box. who could not give her the information,

mong the "A. D,'s" the "X. W.'s," the "P, Q's," but saw none for Catharine. Returning, we inquired to what advertisement the letter was to answer. "Advertisement to me advert it-it would be in answer to my letter." "And from whom did you expect a letter." The young woman looked much confused; but apparently considering it pertinent, the said. From

We say at once that she had, as hundreds before the name given was that upon the letter which we had

ow voice, evidently not intended for our par. But ---- he may have written "Then where's the letter?" said she looking up. "At the post-office, perhaps."

And we took Catharine by the hand and led her to clerks are young men, you need not tell them frees "Not for the world," said she, looking into our lace with a glance to say there was no larm in telling us.
We must have used less than our usual preclaim in directing Cutharine to the post-office, as quite hell as hour afterwards, when visiting the place; we mandes at the window reneiving the change and a letter from one of the clerks; and the impatience, shall we say af

woman or of love, induced Catherine to break the method at the door. A glow of pleasant was on the check of the happy giff. We would not have given a pensy to be informed that Thomas was well, and was coming in the next packet. We felt anxious to know whether. Thomas would come, but the names of such person rarely appear among the passengers of the Liverpoon packets, being commonly included in that comprehensive line "and two hundred in the storage." So we gave up all hopes of knowing when Thomas would arrive, but concluded that we should see this name with that of Catherine in the marriage list;) to which we had determined to keep a steady le It was but a short time afterwards that we did indeed see the name of Thomas in the papers. He was one of the passengers in the ship cast away below New

York, of whom nearly every one perished, and Thomas among the rest,
We had never seen Thomas, but had somehow cheek
ished such an juterest in his fate, that we felt a solution shock at its annunciation and what must bave base the feelings of Catharine, with her erdent sanguing to rish temperament? Loving deeply as she must have loved, and hoping ardently as she must have hoped, what must have been her feelings?

We paused a few weeks afterwards to mark the young grass shooting green and think, in Royaldson's graveyard, and to see the buds swelling on the bracks of the trees that decorate that populous city of the dead, when a funeral numerously attended, went a funeral numerously attended, went always round the corner of the atreet, and passed into the anclosure. It was the funeral of a native of funeral make the funeral of a native of funeral make the sexton lowered the common down into the unrounding the sexton lowered the common down into the unrounding the common down into the common down in the common down into the unrounding the common down in the common house, we saw engraved upon a simple plate; CATHE

The story was told. The small sum of money which Catharine had deposited in the saying fund, to give a little consequence to her marriage Getter), supplied with all the necessaries and luxuries the market can afford. It will be the aim and pride of the

Gratifying Prospects .- Pathapa there verys: was a time when the industrial condition of this country, or of any country, afforded more promise than does that of the United States at this time. In the last five To the lavers of good liquors, too, he can without that of the United States at this time. In the last five that of the United States at this time. In the last five that of the United States at this time. In the last five years there existed no speculative spirit is draw soon from productive employments. That greater than the sure hat slow process of patients on him with a call. c generally, will be found equal to any in the city. The active citizens to productive pursuits, has increase Stable is airy and capacious, and the best attention will be given to the horses of those putting up at his house alle-ti.
