The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, JULY 23, 1844.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR JULY.

Josiah King, J. Carothers, W. J. Howard.

NOTICE.—The conferees appointed at the late Democratic Convention, will meet those of Butler county, at Saltzerstown, on Thursday the 25th inst. at 1 o'clock, P M., to put in nomination a candidate for Senator, to be supported by the Democracy of the district. ROBERT PORTER,

july 15 Chairman of Allegheny Conferees.

☞ On our outside will be found Extracts from Dr. Durbin's Travels; A Black Scarf and a Beauty, Poetry, &c.

HICKORY POLE.—A large number of the citizens of Pitt Township met at Reel's on Saturday afternoon, for the purpose of raising a Hickory Pole, which had been presented by a gentleman who had been a leading Harrison man in 1840. The tree was a magnificent one, towering near one hundred feet high, and as tough and firm as the democracy of the district that raised it. After the labor was performed, the large meeting was addressed by Messrs Brackenridge, Gazzam, Hamilton and Burke. The whole proceedings indicated that the democrats of Pitt are aroused, and that they will make the fur fly from the coons at the coming election.

Every thing passed off very agreeably, and there was nothing occurred to annoy the meeting, if we except the conduct of an old loafer, who made himself quite officious by his noisy abuse of the democrats and his longing for whiskey. The last we saw of him was when he was pitched out of the bar-room. We suppose he is the *gentleman* who gave the editor of the American his information about the meeting.

THE DUQUESNE GRAYS.—This spirited and well drilled company leave this city this morning for Philadelphia, on a pleasure excursion. They turned out yesterday on the occasion of having a splendid flag presented to them. They received it from the hands of Mr M'Candless, who made a graceful and appropriate speech on the occasion. Few are so highly capable of an oratorical effort suited to such a scene, as Mr. M'Candless.

The banner, it is needless to say, was beautiful, being nothing more nor less than the unequalled, the glorious stars and stripes. By the way, we are glad to see all our volunteer companies abandoning their costly fancy banners, and adopting the most appropriate as well as the most glorious ensign they could parade under, our national pledge.

NEW PUBLICATIONS.—COOK has a rich freight of new works. The magazines are especially beautiful and interesting.

GRAHAM'S MAGAZINE contains three engravings; two of them, "The Young Poetess," and "J. Fenimore Cooper," are sharp and fine. Longfellow, Paulding, Herbert, Mrs. Stephens, and Mrs. Osgood contribute to the number.

ARTHUR'S MAGAZINE.—The July No. is an excellent one. Contributions by Dr. BIRD, WILLIS, and other distinguished writers.

GODEY'S LADY'S BOOK, for August, has a very pretty engraving of a "Mill Boy," which, of course will please the whigs. An embossed picture of Washington crossing the Delaware, is also good. Miss GOULD, Miss Leslie, and T. S. Arthur have articles in this number.

THE LADIES' NATIONAL MAGAZINE, for August, in advance of the London World of Fashions, is received. There is an engraving of the POLKA dance, which is worthy the price of the No.

In addition to the above, COOK has the following new works:

SCOTLAND, by J. P. Kohl, the distinguished author of several books of Travel.

THE TRIUMPH OF TIME, by the author of "two old men's tales."

THE TEMPTATION, and the HASTY MARRIAGE, by the author of "The Seamstress," &c. The title of these tales will procure them many readers.

MERTON, a new novel by the distinguished THEODORE HOOK. The reputation of HOOK is so well established, that it is not worth while to say more than that this is the last work from his pen, to procure for it hosts of readers.

"NEWCASTLE DEMOCRAT."—Messrs G T HUMES and J N HALLOWELL, have started a democratic paper under this name at Newcastle, Mercer co., Pa. It looks well, is well conducted, and deserves support.

SENTENCE FOR CONTEMPT.

Pierre Soule, a lawyer at New Orleans, was sentenced by Judge Garland, of the Supreme Court of Louisiana, for contempt, to be imprisoned twenty-four hours in jail of the parish of Orleans, that he pay a fine of one thousand dollars and the cost of these proceedings, and that he stand committed until the fine and costs are paid. Mr Soule had expressed his indignation at the decision of the Court, in which he was interested, and refused to make any apology, daring the Court to do its worst. *Balt Sun.*

REAL AMERICANISM.

We see that at Nashville, Tenn. lately, the Protestants contributed largely to aid in building a Roman Catholic Cathedral there. The Roman Catholics, we find, also contributed very largely towards the erection of the First Lutheran Church in Washington D C. We like to note such things. They are the effects of a real American feeling. Why cannot we act with the same charity and good will? *Phila Times.*

To the Volunteers of Allegheny and the surrounding Counties:

The undersigned gives notice to the Volunteer Companies who were in attendance at Camp Fayette, and all new companies since organised in the counties from whence those companies came, that the trial for the medals presented by Dr J R M'CLINTOCK, will take place at Pittsburgh, on

TUESDAY, 10th SEPT. AT 9 O'CLOCK, A. M.

The *fac simile of Jackson's* medal will be awarded to the best drilled company in the lessons comprised in the School of the Soldier, and Company, or such parts of the same as the judges may find time to inspect.

The fac simile of Harrison's medal will be awarded to the company whose representative or representatives make the nearest break to the Bull's Eye.

The names of the Judges who are to preside at the trials, the place where they are to come off, and the rules for their regulation, will be made known hereafter.

E. TROVILLO.

☞ The papers in Butler, Beaver, Washington and Fayette counties, and in Wheeling and Steubenville, will confer a favor by copying or noticing the above.

For Sale or Rent.

A VERY elegant country Residence, about nine miles from the city, upon the bank of one of the rivers, is offered for *sale or rent*, possession can be given in a few days.

The house is commodious, forty-two feet by twenty-three, four rooms, with basement. The out-offices are large and convenient. There is a valuable orchard and the hundred acres of land in connexion with the property is fertile. To the purchaser or tenant the crop of hay, oats, potatoes, and &c., with a choice stock of cattle will be sold, if wanted.

Splendid Painting for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

AMERICAN PORTABLE BOAT LINE,

For the transportation of

MERCHANDIZE AND PRODUCE

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and the public generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending these transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McAULEY'S

UNITED STATES

PORTABLE BOAT LINE,

For their transportation of merchandize to and from the cities of PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (where canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:
