PITTSBURGH, PA.

WEDNESDAY MORNING, JULY 31, 1844.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR JULY.

Josiah King, J. Carothers, W. J. Howard.

☞On our outside form will be found 'Cousin Sally Dillard"—"African Geography"—Poetry, &c.

☞We will publish the proceedings of the *Young Hickory Club* of Peebles township to-morrow. The formation of these associations in the wards and townships, is an excellent movement, and we feel confident that it would be of service to the cause if the democrats in every district would organize Clubs similar to the one in Peebles and some of the wards of the city.

THE CATHOLIC MAGAZINE for August, is a beautiful number, and contains much matter of interest to the general reader. The very able review of Mr Prescott's Conquest of Mexico is continued, and an interesting notice of Mr Webster's speech before the Supreme Court, in the Girard Will Case. Mr George Quigly, 5th st. is agent.

ARRIVAL.—MR. J. BECOM, the celebrated Tragedian, and personator of C. B. Parsons' characters, has arrived in this, *his native city*, after an absence of eight years, and will appear on *Monday evening next*, in his favorite character of *Oranaska*, in Phillips' celebrated Indian play of that name, for the *benefit* of MRS. JORDAN.

A CARD.

Armory of the Birmingham Guards, July 29th, 1844.

The Guards take this opportunity of returning their sincere thanks to John M'Clurg, Esq., and his family, for their kindness in furnishing an elegant and substantial entertainment for them, on the evening of the 27th. Mr Joseph M'Clurg will also receive the thanks of the company for furnishing a field for them to parade in.

On behalf of the company:

S M'KEE, R C DUNCAN,
D J MORGAN, T CAMPBELL.

☞The St. Louis Republican of the 22d instant, says:

The river is gradually subsiding, and excepting at very low places, it is now within its banks.

Brooklyn and Illinoistown are again above water.—Many houses changed their position during the recent high water, and the streets became filled with sand, driftwood, &c. The appearance of those towns has been sadly altered, and immense injury done to them. It is apprehended that there will be much sickness on the American Bottom during the next two months.

NOTICE.

A meeting of the members of Lodge No. 45, will be held at their Hall, on Wednesday, 31st inst., at 7 o'clock, P. M. By order.

A. M'CAMMON, Sec'y.

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentleman for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent of water added to them. Now water, dust, cornmeal and flaxseed meal are plenty here, and we can get them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

NEW YORK AND BOSTON.

THE PROPRIETORS RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line. to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. communications or goods directed to the care of undersigned Agents will be promptly attended to.

C. A. McANULTY'S
UNITED STATES
PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:
