The Daily Morning Post.

PITTSBURGH, PA.

SATURDAY MORNING, AUGUST 17, 1844.

☞On our outside form will be found a number of interesting articles.

The Results.

We have now received returns from most all the States in which elections have recently been held, and we are now able to arrive at a pretty correct estimate of the results. Our readers will infer from the appearance of the above cut, that a great number of coons have been skinned in the contest, and they may well do so. In Kentucky alone, Mr Clay's own State, there has been an increase of 22,000 *coon skinners*, and the animals are in the greatest terror for fear they will be totally annihilated at the Presidential election.

The following letter from a leading democrat, at Frankfort, to a friend in this city, will give the public a correct idea of the result:

FRANKFORT, KY., August 11, 1844.

It was not until to-day that I could undertake to give you such *accurate* information about our election returns as to enable you to judge of the result understandingly. We have not elected our Governor, tho' we have performed all we expected; and the whigs consider themselves whipped, most decently drubbed and 'catawampously' used up. The vote in Mr Clay's own State, the banner State of whiggery in 1840, when the people were wild with excitement, and the phantasmagoria of "change," when Letcher had 15,821 majority for Governor, and Harrison had 25,693 for President, the vote, I say in this State, shows one of the most rapid increases of democracy I have ever known. It is true the whigs hope to regain something in the fall. But I do believe the days of whiggery in this State are numbered. Our friends here know they can triumph, and they will do it. But as I have no time to speculate, I will give you the vote, by Congressional districts, giving merely the majorities in each. I do this because there are so many counties it would take me longer than I can devote in addressing you at this moment to copy the counties and the detailed vote.

	Maj. for Owsley,	Butler
White's Dist. (a few counties estim'd)		2400
Green's " " "		800
Caldwell's " " "		1000
Davis' " (official,)		1243
Thomasson's " "		558
Grider's " "		1409
		7410
Boyd's Dist. (a few counties estim'd)		2700
French's " " "		300
Stone's " (official)		609
Tibbatts' " "		406
		3915

The majority will be about 3500, and I do not think it will vary from that either way 300. There are only 25 counties to hear from, they generally small, and their politics permanent. Twelve are democratic, five whig and eight very nearly balanced.

Your friend.

P. S.—We will take about 112,000 votes this year; 17,000 more than at any general election before. The democrats will have increased their vote 14,000 since 1840; on the Presidential vote 22,000.

POSTSCRIPT

INDIANA ELECTION.

In 43 counties the Democrats have increased their majority 1,747 over what it was last year, when they elected their Governor by over 2,000 majority. From such a result, cheering to the Democrats as it is, and indicating, as it does, the certain triumph of Polk and Dallas, the whig simpletons have sent up a crow for Indiana. [*Louisville Dem.*

Pittsburgh Infirmary,

For the Removal of Deformities of the Human Frame and of Diseases of the Eye.

THE subscriber has returned to the city and intends to establish an INFIRMARY for the reception and treatment of deformed members, such as *Club or Reeled feet, contracted joints, wry-neck* and *Strabismus* or *Squinting*, and of *Diseases of the Eye.*

There is no Institution of this kind as yet in this country, though much needed.

Patients from a distance would find it to their advantage to be operated on and to be attended to in an establishment exclusively devoted to the restoration of the above named deformities and diseases.

The easy access to Pittsburgh, one of the healthiest spots in the country, by river and canal, almost at any season of the year, would offer great facilities for those desirous of being relieved.

His ample experience and well known success give sufficient guaranty that the welfare of those entrusted to his care will be greatly promoted.

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

NOTE.

All bidders are requested to extend the amount of their bids for each article, and exhibit the total amount of each bid.

The periods and quantities of each delivery at those posts where they are not specified, will be, one-fourth 1st June, 1st September, 1st December, 1845, and 1st March, 1846.

The hogs of which the pork is packed, to be fattened on corn, and each hog to weigh not less than two hundred pounds, and consist of one hog to each barrel, excluding the feet, legs, ears and snout. Side pieces may be substituted for the hams. The pork is to be first salted with Turk's Island salt, and then carefully packed with the same article in pieces not exceeding ten pounds each.

When the packing has been completed, the contractor must furnish to this office a certificate from the packer, that the pork has been so salted and packed. The pork is to be contained in seasoned heart of white oak barrels, full hooped; the beans and salt in barrels, and the soap and candles in strong boxes of convenient size for transportation.

Salt will only be received by measurement of thirty-two quarts to the bushel. The candles to have cotton wicks. The provisions for Prairie-du-Chien and St Peters must pass St Louis, for their ultimate destination, by the 15th April, 1845. A failure in this particular will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery, and all expenses to be paid by contractors until they are deposited at such storehouses as may be designated by the agents of the Department.

The Commissary General reserves the privilege of increasing or diminishing the quantities, or of dispensing with any or all articles required at any post, at any time before entering into contract, and also of increasing or reducing the quantities of each delivery one third subsequent to contract, on giving sixty days' previous notice.

Bidders, not heretofore contractors, are required to accompany their proposals with evidence of their ability, together with the names of their sureties, whose responsibility must be certified by the District Attorney, or by some persons well known to the Government; otherwise their proposals will not be acted upon.

Advances cannot be made in any case, and evidence of inspection and full delivery will be required at this office, before requisition will be made upon the Treasury for payment, which will be effected in such public money as may be convenient to the point of delivery, the places of purchase, or the residence of the contractors, at the option of the Treasury Department.

No drafts on this office will be accepted or paid under any circumstances.

Each proposal will be sealed in a separate envelope and marked "Proposals for furnishing Army Subsistence," GEO. GIBSON, C. G. S.

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

NEW YORK AND BOSTON.

THE PROPRIETORS

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three changes of shipments between Pittsburgh and Philadelphia, etc, by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. C. A. McANULTY'S UNITED STATES PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:

Extraordinary Case.

MR. JOSEPH MEANS, of this city, had been afflicted for two years with Dropsy, during all of which time he had been under treatment of the most eminent medical men he could find; being given up as incurable he was advised by a Physician to try the MEDICATED VAPOR BATH—after taking the Bath and medicines for five days, he went to work at his trade, and has been able to work at it every day since. Persons afflicted in the same way can be referred to Mr. Means himself, and other gentlemen who are well acquainted with his case, by calling at our office on Fifth street, next door to the Pittsburgh Foundry.
