The Daily Morning Post.

PITTSBURGH, PA.

TUESDAY MORNING, AUGUST 20, 1844.

☞On our outside form will be found an account of the re-appearance of the "Sea Serpent"—Poetry, &c.

MAGAZINES FOR SEPTEMBER.—*Graham's Magazine* has two beautiful engravings after excellent designs. We never saw three more happily selected subjects. The contributions, as usual, are by the best writers of the day. Cook has his supply.

The Ladies' National Magazine is also received at Cook's. The proprietor of this work claims that it is ahead of all contemporaries with Fashion plates. The present is a good number.

Cook has also received the 3d No of the Wandering Jew.

CONVENTION OF FARMERS.—We invite attention to the article signed "A farmer of Fayette township," suggesting that there be a Convention of Farmers called to take into consideration their condition and prospects, and to deliberate on the policy, which, as a class, they ought to pursue. In accordance with the request of our correspondent, we invite our exchanges to copy his article.

☞The Whig Committee of Challengers, have published the correspondence between the two Committees. We are perfectly satisfied that the people shall judge from that correspondence, which party shunned discussion, and which party sought "unfair advantages." Read the last note of the Democratic Committee.

MOB IN TROY.—On Wednesday evening of last week, the windows of a church (Rev Mr. Shepherd's) were broken in with stones, and an anti-slavery meeting broken up by a mob. The Mayor of the city advised the Abolitionists "to go home and go to bed, and go to sleep." Between two and three hundred citizens of all parties, petitioned the Mayor to send officers to protect the people and arrest the rioters, but he did not make his appearance till he was sent for and told that the mob had broken in the windows; then he appeared, and gave the advice above stated.

FIRE IN MANCHESTER.—The new and beautiful Town House, in Manchester, N. H., built at an expense of $24,000, was discovered to be on fire on Monday, and was soon reduced to heap of ruins. The cellars were occupied by provision dealers, who saved most of their property. In the basement was the post office, and four stores. The contents of the post office were saved, and a portion of all the stocks of goods.—The second story was occupied as a town hall, and lawyers' offices. Part only of the town records saved. In the third story were the armories of the Stark Guards and Fusileer. The guards lost all their arms; the Fusileers 30, guns; standard, uniforms and camp utensils. The job printing office of Mr. J. Emerson, also, in the third story, was destroyed, his books were all that he saved. The house was insured for 10,000. It is conjectured that the fire was set by an incendiary. Total loss from 30,000 to $35,000.

RUMORED REMOVALS.—We heard yesterday, several intimations relative to certain outs and ins that are soon to take place here. It is said that Wm B Whittaker is to be Surveyor of the Port, vice J G Watmough. That Capt Thomas Hays will be removed from the office of Navy Agent, and J H Colwell, of the town of Williamsport appointed. That Amos Holaday will be appointed Treasurer of the Mint, in the room of Mr. Roach, and Dr J Heintzelman Assayer. That John Sherif is to take the place of Mr J G Logue; R Spain, Esq., is to be appointed for Richmond district, and Col R W Dunlap, to a place in the Customs—whose place is not stated. *Phil. Times.*

Times have changed since then.—We see it stated in the papers that in 1777, the town of Amherst, (N. H.,) authorized the purchase of eight barrels of New England Rum to be used in raising a Meeting House.

☞THE LIBERTY MASS MEETING will assemble in Broadhurst's Yard, on Penn street, near the Canal Bridge, on WEDNESDAY, 21st August, 1844, at 10 o'clock. James G. Birney, of Michigan, F. J. Lemoyne, of Washington county, Judge King and Rev E. Smith, of Ohio, with other distinguished speakers, are confidently expected to be present. Whigs, Democrats, Abolitionists, Liberty men, are all invited to attend.—Ladies, also, are specially invited; suitable arrangements will be made for their accommodation. All we ask is that we shall be heard. ☞Entrance, left gate.

LIBERTY MEETING,

In the New Market House, Allegheny.

W E Austin, Esq., will address the Liberty party of Allegheny, at early candle light this (Tuesday) evening, in the New Market House It is probable the meeting will be addressed by distinguished speakers from a distance.

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALT., in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

Bureau of Construction, Equipment and Repairs,

July 18, 1844.

TO carry into effect that part of the act of Congress, making appropriations for the naval service for the fiscal year, ending June 30, 1845, which relates to the purchase of American water-rotted Hemp—

Proposals will be received at this Bureau, until 3 o'clock, P M, of the 29th day of August next, for delivering at the Navy Yard, Charlestown, Mass., two hundred tons of American water-rotted Hemp,

This Hemp must be equal in quality to the Riga Rein Hemp heretofore purchased for the Navy, samples of which are now in the said navy yard—must be delivered free of all expense to the United States, and be subject to the inspection and approval of persons who will be appointed by, and act under, instructions from the Navy Department,

Persons making offers must state the price asked per ton of 2240 pounds, delivered at the Navy Yard, and must forward with them the offers of persons of sufficient property to become sureties in one third the amount of the contract, for its performance, if the offer should be accepted.

Separate proposals will be received for quantities of not less than thirty tons, nor more than two hundred tons. To diminish the hazard to contractors of forwarding hemp from the Western States, which may not be of proper quality or sufficiently well prepared, the Secretary of the Navy has appointed two agents, who will, when requested, inspect that which may be prepared to fulfil contracts to be made under this advertisement. One of these agents will inspect the Hemp that may be sent to Louisville, Kentucky, and the other that which may be sent to St Louis, in Missouri. These agents will be furnished with samples of Riga Rein Hemp, and with the means of testing Hemp, and will be ready to give all information in their power, to enable contractors to have their hemp properly prepared, and to ascertain the strength and character of it, before the expense of sending it to the navy yard is incurred. It must be distinctly understood, however, that the inspection and opinion of these agents is merely to diminish the risk to contractors, by furnishing useful informations. The only inspection by which the hemp can finally be received and paid for, will be that at the navy yard where it is to be delivered.

The whole quantity of the hemp embraced in any contract must be delivered at the navy yard Charlestown, Mass, on or before the first day of August, 1845.

In addition to the bonds which will be required for the faithful performance of contracts, ten per centum will be deducted from all bills for deliveries, and retained, until the completion of the contract, as additional security for its performance. The remaining ninety per centum will be paid within thirty days after the bills, duly approved, shall be presented to the Navy Agent at Boston.

For the transportation of

MERCHANDIZE AND PRODUCE

BETWEEN

PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,

AND

NEW YORK AND BOSTON.

THE PROPRIETORS RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three or four shipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.
