GERMAN MEETING .- The German democratshed a

very spirited meeting at Polk Hall on Wednesday evening. It was addressed in German by Mr E HEIDEL-BEEG, a gentleman of fine talent, and well acquainted the regular daily trips, leaving Pittsburgh (as heretofore) at 3 o'clock. P. M. and Beaver at 9, A. M. with the political questions of the day. In the course of his speech he exposed the many fulsehoods that the Clay men are attempting to impose upon the Germans, and exhibited the persecuting spirit that the whig party has always evinced towards adopted citizens. H. S. MAGRAW, Esq., being present, was loudly

called for, and, in a short speech, he completely stripped from the whigs the Tariff mantle, under which they are trying to hide the corrupt designs of their party.-The facts he stated were so strong and conclusive that they must have convinced every honest man that the wings are in favor of protecting capital alone-protecting the long purses of the rich man, while honest labor is left to struggl : as it best may.

The meeting altogether was one of the best we have had this campaign, and indicated that our German felluwscitizens are working earnestly and effectively for or passage apply on board, or to the success of correct principles, by the election of Polk, Dallas and Shunk.

We have been informed by those who have the best opportunity of knowing, that the statement made by a writer on Wednesday, that the "Bankrupt Court" | Fever and Ague Pezitively Cured by the Medicated Vapor Bath. by a writer on Wednesday, that the "Bankrupt Court" was granting certificates of naturalization, has no foundation in truth.
