Sash Manufactory, owned by Gay, Dilworth & Co., with a large quantity of dressed and undressed lumber, was all consumed by fire.

The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot. I am pleased to inform you it was opened at the close of the fire, and all books, papers, &c., saved;—this is the best recommendation I can give of the utility of your rafes.
