Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and sallsion, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Calonbell county nessee, wrote to me to send him some. which I did and he has employed it very successfully in his prictice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, an a proper person to officiate for the sale of your celebrated nedicine. Should you commission him he is willing to act for yon. You can send the medicine hy water to the care of Rohert King & Sons, Knozville county, Tennessee, or by land to Gtaliam & Houston, Taxwell, Ear fennessee. I have no doubt hus if you had agents in everal counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like hear from you whether you would like an agent as Buntville, Sullivan County, East Tenuesser; I.can ges ome of the merchants to act for you as I live stear there.
