proscription-nothing about retrenchment and reform proscription—nothing about retrenement and retorn —nothing about one currency for the office-holders and another for the people—even the gold spoons have heat their giding—and the "roast beef and two dollars day" is now reduced to a simple question of "broad"—at least so says the Hon John M Clayton, of your structure and if you will give me your attention for a state; and if you will give me your attention for a short time. I pledge myself to show from recorded facts, that of all the misrepresentations ever attempts.

He keeps constantly on hand a large assortment of shoe findings of all descriptions, and of the best quality. He solicits the patronage of the public and of the craft.

WM. ADAIR.

In a speech, said to have been delivered at a mass whig convention, held at Wilmington, June 15th, 1844.

"The great question to be decided by that election is a question of BREAD.—I question whether we shall "The great question to be decided by that election is a question of BREAD, —a question whether we shall abandon the whole principle of protection ext oring clauses of this country by the Tariff Act for revenue and against protection."

"Protoction or no protection for the country bread ar no bread for the laborer," And yet again t "It is not a question between mon merely; it is not question about honors and offices and the rewards a question about horors and offices and the rewards of partiann services; it is not a question about pay, ment of the State debts, or acquisition of foreign tear ritory; it is as I have said already, emphatically a question of BREAD—a question whether we shall sink the mass of the laboring freemen of this country, who have gain their bread by the sweat of their brows, to leave of the European naupers, who labors for a leave of the European naupers, who labors for a leave of the European naupers, who labors for a leave of the European naupers. level of the European paupers, who labors for a pence a day and find themselves."

Three times he declared it is a question of Bazzin ries, druggista. coffee houses, and even burs on steamboats, keepa supplyon hand. It is called for every where, and will sell in any place. The reason is this every one who has a cough or cold by eating a few sticks

"Politician sometimes speak one way, and vote. sometimes K. Polk net. "Search the records of Congress, and you will find" that, in every instance where the American system was attacked, while he was in Congress, he was its assaft. ant, its constant and uncompromising food! "There was no more thoroughgoing, no more de ciatory enemy of the protective policy, than James

"With their new democratic doctrines of Free Trade, all the leaders among them are conscious that they cannot go to trial before the country without inurring ingribble defeat."

As it regards the issue tendered by Mr. Clayton of protection no protection," "bread or no bread," I shall trouble you with but little speech. I know of no such question between the political parties that discovered the political parti o such question between the position pride the country—I know of no such question or having divided them, and I trust I never shall keep havenful. So far as I any such dividing them hereafter. So far as I rend the history of the past, or understand the position of the present, the great body of the American people of both and all parties, agree upon the abstract principles of the tariff, or a tariff. As I understand, the through which they are now receiving supplies DI. ples of the larif, or a tariff. As I understand, the REOT FROM THE MANUFACTORIES IN mass of all parties agree that the revenue necessary to the government concentration and the second state of the

chasers to call.

Always on hand, a full and general assortment of RI.

FLE BARRELS AND GUN TRIMMINGS,
PLANES. COOPERS, CARPENTERS AND

SMITHS' TOOLS

Also A full and general assortment of RI.

True there are some men who say that government SMITHS TOOLS. Also, a great variety of cought to be supported by a direct tax, and that trade some men who say tuat government to be supported by a direct tax, and that trade some men with avery unclear of carried and that trade some men who advants are also some men who say tuat government. some men who advocate prohibitory duties on all forsome men who advocate prohibitory duties on all foroign articles that come in competion with similar domestic ones. The opinions of both these classes are
referable to local or selfish interests and feelings, and
not to any political association whatever. There
still another class of men who are in favor of very
duties, for the twofold object of protecting their
duties, tor the twofold object of protecting their
sunplus revenue to be divided among the States, or to
be expended in useless objects. This class is composed altogether of whice, and is not so small as any posed altogether of whigs, and is not so small as appearances indicate. Mr. Cluy was once of this class was the "American system," of which he was POENTS OF THE SYSTEM so long contended.

His facilities for accommodating the traveling public generally, will be found equal to any in the city. The abstract, all do not agree in the details. I have now the true theory, and the one they mostly all airs to the er yet found any two men of any party or place who could agree exactly on the details of a tariff, either for revenue or protection, though both may have the the general object in view. This is a subject about which the people of the United States have always differen and may differ, without reference to their popinions or parties, and which will be settled nan and each district, as will best prome their indi-idual and local interests; and this will be for tobe the key to most men's opinions and most med votes in Congress on tariffs. This question I do not intend discuss—it never has been nor never can be discuss or decided as a political party question, nor shall ! If the tariff, or the protective policy, as Mr Clay scalls it, was indeed identified with any political party instead of the democratic party being its enemies would not be difficult to prove that they were its pecial friends and supporters, I might show the service ary tariff that has ever been enacted into a law he democratic purty. It was a democratic Congress that passed the tariff act of 1316. It was a democratic back was in the most exposed situation during a democratic Congress that passed the tariff are form you it was opened at the close of the fire, and all turiff act of 1832. It was a democratic Congress that passed the tariff act of 1832. It was a democratic Congress that passed the tariff act of 1832. It was a democratic Congress that passed the tariff act of 1832. passed the tariff act—the compromise act—of 1820; It was by democratic votes that the tariff act of 1886. was passed by a wing Congress—and without their of Representative that refused in 1844 to distint the present tariff act. Nor this alone. Though whige
