"The whig strength of New York lies in the West, beyond Cayuga bridge, and in that whole region, with the exception of a few personal friends, Mr Clay never had any strength at all, and never can have, for reasons neither removeable nor conquerable. It cannot be proved mathematically, but it can be shown to the satisfaction of any reasonable man, and, indeed, it is apparent enough to persons acquainted with the subject, without any showing at all, that if Mr. Clay had been the candidate (in 1840) New York would most assuredly have given her vote for Mr. Van Buren. LETTER OF THE REV. S. B. WYLIE, D. D., ON THE EFFICACY OF THE MEDICATED VAPOR BATH. Mesers. Fleming & Black:

pleasure produced by the medicated vapor during the whole process of its operation. I could scarcely have spent fifteen minutes more pleasantly; while my lungs were inhaling an odoriferous perfumed atmosphere, and every pore of my system was exuding, in copious perspiration; noxious humors, injurious to the he it y state. I left the Buth greatly refreshed, and even exhiberated. I had been troubled much with rheumatic pains, and worn down with fatigue of business; the pains were completely removed, and I received fresh animation. It cannot, it is true, cure broken bones, or reduce luxations of joints; to such things it makes no protensions. But it can and does, expel from the body, such peccant matter as may, by its presence, be incompatible with a perfectly health condition of the human frame. Without besitation, can recommend the Vapor Bath to all afflicted by languor of constitution, or laboring under such diseases as it professes to alleviate or cure.

SAMUEL B. WYLIE, Pittsburgh, Aug. 17, 1844. Philacelphia. Persons afflicted with Rheumatic pains will see by the above letter that they can rely on being cured, as in no instance where the Bath and medicines were used have they failed to produce a similar result.

WARRANTED GENUINE Dr. William Evans's Camomile Pills, CERTIFICATES.—Letter, from the Bon. Ab'h'm M'Cletin, Sullivan County, East Tennersee, Memberof Congress Washington, July 3d. 1838.
Sir...Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and salle-faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Calenbell county Tennesses; wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden. in proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Taxwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tonnessee, a great deal of medicine would be sold. I am going to take some of it home or my own use, and that of my friends, and should bit hear from you whether you would like an agent of Bluntville, Sullivan County East Tennesser; I can gei

me of the merchants to act for you as I live near there. Yours respectfully,
