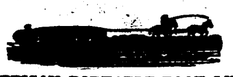
Transportation Lines.



AMERICAN PORTABLE BOAT LINE,
For the transportation of
MERCHANDIZE AND PRODUCE
BETWEEN
PITTSBURGH AND PHILADELPHIA, PITTSBURGH AND BALTIMORE,
AND
NEW YORK AND BOSTON.

THE PROPRIETORS
RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three rail shipments between Pittsburgh and Philadelphia, is by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

C. A. McANULTY'S
UNITED STATES
PORTABLE BOAT LINE
For the transportation of Merchandize to and from
PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c

All communications to the following Agents will be promptly attended to:

Splendid Paintings for Sale,

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoisseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.
