We learn from the Fulton county Democrat that or Saturday last, the democrats of Johnstown, and the adjoining towns, made a grand rally at Kingsboro for the purpose of raising a hickory tree in honor of James of K Polk of Tennessee. lave since expressed a determination to go for Polk and Dallas, and the democratic ticket, were requestde to step forward and enjoy the privilege, as well as the honor, of ruising the hickory tree. In the course of a few minutes 75 men who voted is "Tippecanoe and Tyler too," advanced in front of be speakers platform, and signified their willingness to engage in the good work of electing the glorious emblem of Democracy. They then furmed a procession, and marched to the tree, preceded by a band of music, and putting their shoulders to the work they quickly placed it erect, with a flag floating from its top bearing this inscription; "Polk and Dallas." LETTER OF THE REV. S. B. WYLIE, D. D., ON THE EFFICACY OF THE MEDICATED VAPOR BATH. GENTLEMEN:-I have made trial of your Vapor Bath. The benefit thereof has much exceeded my expectatio s. I had not unticipated the degree of pleasure produced by the medicated vapor during the whole process of its operation. I could scarcely have spent fifteen minutes more pleasantly; while my lungs were inhaling an odoriferous perfumed atere, and every pore of my system was exuding, in copious perspiration; noxious humors, injurious to the healt y state. I left the Bath greatly refreshed, and even exhilerated. I had been troubled much with rheumatic pains, and worn down with fatigue of business; the pains were completely removed, and I received fresh animation. It cannot, it is true, cure broken bones, or reduce luxations of joint; to such things it makes no pretensions. But it can and does, expel from the body, such peccent matter as may, by its presence, be incompatible with a perfectly healthy condition of the human frame. Without hesitation, I can recommend the Vapor Bath to all affliced by languor of constitution, or laboring under such diseases as it professes to alleviate or cure.
SAMUEL B. WYLIE, Pittsburgh, Aug. 17, 1844. Philanelphia. Persons afflicted with Rheumatic pains will see by the above letter that they can rely on being cured, as in no instance where the Bath and medicines were used have they failed to produce a similar result.
