## Ocferred Articles. S 23 1 A Magnificent hydraulic work exceeding even in extent and cost of the Croton works of N. Y.

is now in progress in France with the view of affording abundant supplies of pure water to the city of Marseilles:

ing abundant supplies of pure water to the city of Marseilles: It is under the able direction of Montricher. The canal that is to supply Marseilles, will derive its wa-ters from the Durace, near to the suspension bridge at Pertuis; and this will be conducted by open cutting and tunneling, for a distance of 51 miles, through a most mountamous and difficult country, until it reach-es the arid toritory of Marseilles, where it will be em-moved for the supply of the city as well as for irrigaes the arid torritory of Alarseniles, where it will be con-ployed for the supply of the city as well as for irriga-tion and giving activity to various branches of indus-try, which require water power. The section and full and by a remittance of the persons to come, a certifi-try which require water power. try, which require water power in section and tain names and residence of the person to court a both of Wilson M Candl of this canal is calculated to pass eleven turs of wa-ents will be at once sent forward by the first Packet John Anderson, or this cancel is calculated to prose disposed that this Ship, and all necessary information given. Gen per second: and its levels are so disposed that this Ship, and all necessary information given. Apply to, or address JOHN HERDMAN, quantity of water will arrive near to the city, at the elevation of four hundred first above the level of the sea. Perhaps no work of this description has been attempted, either in ancient or modern times, more at Messrs DALZELI. & FLEMINGS, Water street, Pigsburgh. bardy in its conception. or more really useful in its efforts. Three chains of linestone mountains are al-ready pierced by the ten miles of tunnels which are reaug 13 PRESH ARRIVAL OF quired to conduct this stream; and an aquiduct, which is to convey it across the river Arc, (about five miles EWGOODS N

from Aix.) is now in construction. Its elevation above the river will be two hundred and sixty two Cloths, Cassimores, Tweeds, Vestings, feet. The design of this gigantic structure is in ex cellent taste; and as a work of art, it will not suffer comparison from the famous Pont da Gard, which it will much surpass, both in altitude and size. The estimated cost of this canal is upwards of twenty MERCHANT TAILOR, millions of dollars, and this sum is raised by the city of Marseilles without and from Government. The of Marseilles without aid from crovernment. The profit to the stockholders, arising from the work, will be principally from supplying water for irriga-tion; as the value of land in such a climate is quadru. THE subscriber has just returned from the Eastern pled, if water can be applied to it.-Hund's Mer-chant's Magazine. cities, where he has purchased the most magnicent assortment of

CHOICE AND FASHIONABLE GOODS We learn by gentlemen who have returned Ever offered in this City! which he is now receiving, and to which he tartes from the castern cities, that the speculating and over-trading fever is running very high. In New York and trading fever is running very high. In New York and Boston, it is but little below that of '36—'7, and from the immense importations and rapid increase of the loans and discounts of banking institutions, a revulsion is confidently anticipated by those who calmly watch The very liberal patronage which his friends and the public have heretofore been pleased to bestow on is confidently anticipated by those who calmly watch the current of events. Since the 1st of January, the 1 \$60,000,000. This has thrown the balance of trade his establishment, has induced him to purchase against us, and the shipment of specie is the conseof all kinds of gcods in his line, and of a superior qual-ity to any thing which has beretofore been offered.— The following is a list of a part of this assortment which

In Boston, the rage for trading, and building, and improving, is said to be innense. Here, too, the im-portations have been unprecedented. These goods he offers to the public, all of which he guarantees are in the most fashionable Eastern styles, and of the best must find a sale, which in addition to the greatly inquality, suitable for the season. SUPERFINE BLACK, BLUE, INVISIBLE creased domestic production, will fill the country with able to pay for, without disturbing the present prosperous state of its business relations.

CLOTHS, The spirit of overtrading, however, bas not yet pen-FOR DRESS AND FROCK COATS. ettated into the interior. Although a vast amount of He particularly refers to a lot of beautiful French merchandize found its way to the west, and was dismerchandize tound its way to the west, and was us-posed of, yet this was owing to the fact that the interi-or had become nearly exhausted, and therefore requir-ed to be re-supplied. a20-tf ian, Suilivan County, Eust Tennessee, Menberof Congress Wassicores, July 34, 1838.

WARRIGTON, July Ja. 1836. Sir....Since I have been in this city I have used some of your Dyspeptic archieve with infinite benefit and satisyour Dyspectic airdefine with initide behalt and faction, and believe it to he a most valuable remedy. Osa of my consiluents, Dr. A. Carden, of Calonbell county Tennessee, wrote to me to rend him some, which i did and he has employed it very successfully in his practice ard says it is invaluable. Mr. Johnson, your agent at his place, thinks you would probably like an agent in Tennessee. If so, i would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated edicine. Should you commission him he is willing to medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county. Towner-see, or by land to Grahum & Houston, Tawwell, Basi Tennessee. I have no doubt hun if you had agents in several counties in East Tennessee, a great deal of medi-cine would be sold. I am going to take some of W home for my own use, and that of my friends, and showld like to hear from yon whether you would like an asent at to hear from you whether you would like an agent at to hear from you whether you would like an agent at Buntville, Sullivan County East Tennesser; I can get some of the merchants to act for you us I live near thera.

Yours respectfully, ABRAHAM M'CLELLAN, of Tendence, Forsale Wholess'e and Retail, by R. E SELLERS, Arent.
