Yellow Fever.—Regarding this disease, we hold opinion that the truth, and nothing but the truth, should be laid before the people. We met a friend yester-day who had attended the funcral of an individual who had died with this disease, and he informed us that mother was afflicted with it in the same house. aug 13 that another was afflicted with it in the same house.-The day before in conversation with an eminent phy-sician, we heard of four other cases, two of whom had NEW GOODS!! the black vomit. These are but casual pickings up, yet they serve to show that the disease exists in the Cloths, Cassimercs, Tweeds, Vestings, city. Although we believe there will be no epidemic, we advise those who have returned to the city to be cateful.-N O Republican.
