There must be some mistake in this, for the Boston Post says he is to lecture next week at one of the Clay Clubs of Boston. Our own opinion is, that the dis-tinguished traveller will be detained in Albany to give evidence on the indictment which the friends of Col. Polk will no doubt institute against the Evening Jour-N. A Soulless Man .- Out West, a stump orator, wishing to describe his opponent as a soulless man, said:—"I have heard some persons hold to the opinion that just at the precise instant after one human being dies, another is born; and that the soul enters and animates the new-born name. ENTLEMEN:—I have made trial of your Vapor Bath. The benefit thereof has much exceeded my expectatio s. I had not anticipated the degree of pleasure produced by the medicated vapor during the whole process of its operation. I could scarcel Phave spent fifteen minutes more pleasantly; while my lungs were inhaling an odoriferous perfumed atmosphere, and every pore of my system was exuding, vin copious perspiration; noxious humors, injurious to the healt y state. I left the Bath greatly refreshed, and even exhiberated. I had been troubled much with rheumatic pains and worn down with fat gue of business; the pains were completely remove and I received fresh animation. It cannot, it is true, cure broken bones, or reduce luxations of joints; to such things it makes no pretensions. But it can and does, expel from the body, such peccant matter as may by risepresence, be incompatible with a perfectly healthy condition of the human frame.
