CANCER, SCROFULA, AND OBSTINATE DISEASES OF THE SKIN CURED BY DR WHITLAW'S VAPOR BATH AND MEDICINES.

INSTITUTIONS for the cure of the above diseases have been in operation for the last twenty years in the principal cities of Europe, also in New York and Charlestn, South Carolina; reports of committees composed of the most respectable citizens in the different places where the Baths are established can be seen at our office, that will show that these diseases which have heretofore been considered incurable have almost invariably yielded under the peculiar treatment of Dr Whitlaw. The results which have been in operation during the short time the Baths have been in operation in this city, we believe, renders it our duty to inform those who are so unfortunate as to be afflicted with any of the above diseases, that if they apply to us in time, they can generally expect a cure.

The following is an extract from a report published by the institution at New York, showing the efficacy of the Bath when all other remedies had failed:

"Rheumatic, syphilitic and gouty affections, attended with ulcers, blotches and eruptions of the skin, particularly when originating from the improper use or abuse of Mercury, scald-head, salt-rheum, erysiplas, pimpled face, dry scurvy, leprosy, ring-worm, tetters and all other hitherto unmanageable diseases of the skin, scrofulous diseases are relieved and cured in a much shorter period and with more certainty than any other mode of treatment ever employed."

Splendid Paintings for Sale.

A PORTRAIT of the Hon. JAMES ROSS, and one of the Hon. WILLIAM WILKINS, painted by that favorite and distinguished artist, the late JAMES BOWMAN, Esq., are offered for sale.

These pictures are not only valuable as being perfect likenesses of the gentlemen for whom they were taken, but possess surpassing merit, as specimens of art—they have been pronounced by connoiseurs to be splendid paintings, and among the most successful works of the eminent painter from whose hand they come.

They may be seen at the Looking Glass Store of W. C. WALL, in Fourth street, between Wood and Market.

Attention is especially invited to these portraits, as no other opportunity will, perhaps, ever occur to obtain portraits from the pencil of the gifted BOWMAN, at a price so cheap as these are offered.

Pittsburgh Infirmary,

For the Removal of Deformities of the Human Frame and of Diseases of the Eye.

THE subscriber has returned to the city and intends to establish an INFIRMARY for the reception and treatment of deformed members, such as *Club or Reeled feet, contracted joints, wry-neck* and *Strabismus or Squinting,* and of *Diseases of the Eye.*

There is no Institution of this kind as yet in this country, though much needed.

Patients from a distance would find it to their advantage to be operated on and to be attended to in an establishment exclusively devoted to the restoration of the above named deformities and diseases.

The easy access to Pittsburgh, one of the healthiest spots in the country, by river and canal, almost at any season of the year, would offer great facilities for those desirous of being relieved.

His ample experience and well known success give sufficient guarranty that the welfare of those entrusted to his care will be greatly promoted.

Wholesale Druggists, Grocers, &c.,

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent of water added to them. Now water, dust, cornmeal and flaxseed meal are plenty here, and we can eat them in their purity, if so it pleases us, without paying a *pepper* price with freight and premium added.

La! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try this great tooth wash,
The Teaberry tooth wash,
And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use.

DAVID HUNT, Dentist.

Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

Business Coats.

OUR last report brings us out two new coats of this description. The material used in the first is French and English Tweeds, of which we have received some new patterns, suitable for the coming season—such as Bronzed and granite mixed Plaids, &c; these are lined with rich Cachmere throughout, which makes them suitable for any weather. The other is a very desirable Coat, being something between a riding or dress Coat—the material is Olive, Citron, Mulberry, London Brown or Rifle Green Cloths, and trimmed with sporting Buttons, all of which we have in abundance. Come on with your orders, gentlemen; the Cash system makes all the difference, for there is no other *customer* shop in the City can sell as cheap as the Fashionable Head quarters. WARRANTED GENUINE.—Dr. William Evans's Camomile Pills.

CERTIFICATES.—Letter from the Hon. Ab'h'm M'Clellan, Sullivan County, East Tennessee, Member of Congress

WASHINGTON, July 3d, 1838.

Sir—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Taxwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Bluntville, Sullivan County East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,
ABRAHAM M'CLELLAN, of Tennessee.

BARON VON HUTCHELER HERB PILLS

These Pills are composed of herbs, which exert a specific action upon the heart, give impulse or strength to the arterial system; the blood is quickened and equalized in its circulation through all the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretions of the body are drawn from the blood, there is a consequent increase of every secretion, and a quickened action of the absorbent and exhalent, or discharging vessels. Any morbid action which may have taken place is corrected, all obstructions are removed, the blood is purified, and the body resumes a healthful state.
