

THE ELECTION

A Glorious Result for the Democracy!!! A WHIG LOSS OF 800 SINCE 1840!

2300 below the Whig estimate!!! The democracy of Allegheny may well be proud of the result of the election of yesterday. After all the unballowed means used by our opponents; after squandering thousands of dollars in their efforts to blacken the regutation of the democratic candidate, they have f. Il EIGHT HUNDRED below their vote of 1840, and TWENY-THREE HUNDRED below the majority her regular daily trips, heaving Pittsburgh (as hereto they expected. This is glory enough for the democrats of Allegheny, and indicates what the result will be in other portions of the State.

The express by which we received the returns was the weather will permit; on the opening of which run by Mr Roly l'atterson, and the anxiety to hear the voie on Governor being so great, the riders were instructed not to wait for any other runs were instructed not to wait for any other runs. The for freight or massage apply on board, or to instructed not to wait for any other returns. The rote on the balance of the ticket, however, will not vary much from that of Governor.

Persons wishing to avail themselves of the benefit of the Naturalization Laws, in becoming citizens of the United States, before the coming elections, will call at the office of John J. MITCHELL, who cheerfully assist them in performing this duty.

Bureau of Construction, Equipment, and

Repair, October 2d, 1844 CEALED PROPOSALS will be received at this Bureau until 3 o'clock, P M, of the 3d day of November, next, for farnishing and delivering at the respective Navy Yurds near Portsmouth, New Hampthire; Charleston Mussaschuse, ts; Brooklyn, New York; Philadelphia; Washington, D C, and Gosport, Virgi-Philadelphin; Washington, D. C., and Cosport, virginia, such quantities of cold rolled bolt copper, and of thousand pounds of each at anyone Navy Yard; and thousand pounds of each at anyone Navy Yard; and thousand pounds of each at anyone Navy Yard; and the property of the property of the public in this experience of the public therespective Commandents or Navy Agents, or by this Bureau, between the first day of January, 1845, and the 30th of June, 1846.

The flat Iron to not be less than one-fourth of an inch thick, nor more than six inches wide, the Square Iron not less than one-half an inch, ner more than three inches square, and the Round not less than onelmif inch, nor more than three inches, in diameter. The Iron and Copper is to be of the best quality five from flaws, rugged ends or edges, cracks or other defects, and true to the sizes ordered, and must be sub-ject to such tests and inspection us may be directed, and in all respects to the satisfaction of the Commandants of the respective yards, or it will not be receiv-

Any quantity not exceeding five thousand pounds of Copper or five tens of Iron to be delivered within ten-days after the order shall be received, and one day will be allowed for every additional thousand pounds of Copper or additional ton of Iron that may be orderod. It is to be distinctly understood, however, that persons who may contract are not to have any claim or privilege to formish any greater quantity of dron or

Cupper than may be expressly erdered.

It is to be un lerstood, also, that when persons reside. at other places than those near which they engage to furnish articles, they will be required to appoint and dily authorize some person at or near the place of delivery; to receive and act upon the requisitions of orders which may be made; and in case the person who conteners, or his agent, shall needed or fail to comply with the requisitions or orders he may receive for articles under his contract, in proper time or of proper quality, the officers or agents of the Navy shall be authorized to account rized to purchase the same, and the contractor shall be liable for any excess of cost over his contract. Separate proposals must be made for each Navy Yard, and for the Copper, and for the Iron, and the price asked per pound must be the same, for the bolt und sheet Copper; and for the round, flat and equar-

Bonds, with two approved sureties in one half the estimated amount of the cospective contracts, will be required, and ten per centum in addition to be with-held from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracts; which will; on no account, be paid until the contracts are complied with in all respecies After deducting ten per centum, payment will e made by the United States, within thirty days after hills, duly neatified and approved, shall be presented to the Navy Agent of the Station where deliveries are

The power to reject all offers from persons who have heresofare failed to tain their contracts with the Goverament is expressly reserved by this Bureau. .To be published three times a week until the 3d of November next, in the Mudisonian and Speciator, Washington, D. C; New Hampshire Gazette; Morning Post and Daily Times. Boston; Journal of Commeroe, Sun and Aurora, New York, National Enquirer, Harrisburgh. Pennsylvania: Sun and Republican, Baltimere, Md.; Enquirer, Richmond, Virginia; Old Dominion and Beacon, Norfolk, Virginia; American Sentinel, Mercury and Public Ledger, Philadeiphia; Morning Post, Pittsburgh, Pennsylvania.

MERCHANDIZE AND PRODUCE BETWEEN ITTSBURGH AND PHIL SPELPHIA, PITTS BURGH AND BALTIMORE,

NEW YORK AND BOSTON.

THE PROPRIETORS RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Fortable
Boat Line, to the American Portable Boat Line.
This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily from Pittsburgh, Philadelphia and Baltimore. The superiority and advantages of the Portubie out over every other mode of transportation are too well known to shippers generally to require comment: suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three ran hipments between Pittsburgh and Philadelphia, 43 y the Portable Boats most effectually removed. To give undoubted security to owners and shippers For Sale,

A SMALL FARM, with a good Mill seat, situated on Pine Crack, in Pine Township, about 10 miles from Pittsburgh, containing about 60 acres of Land, a part of which is cleared and has thereon a square for House and other improvements, with an about the sured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandise shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be for those and other improvements, with an about Log House and other improvements, with an abunpart of the west, free of commissions. H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the ame to any of the castern cities, and charge no com-

nissions for storage, advancing or forwarding. Any communications or goods directed to the care of the ndersigned Agents will be promptly attended to.
