Wassington, July 3d. 1838. Sir_Since I have been in this city I have used some of your Despentic medicine with infinite benefit and satis faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Caonbell county Tennessee, wrote to me to send him some. which I did and he has employed it very successfully in his practice and says it is levaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Taxwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Bluntville, Sullivan County, East Tennesser; I can get ome of the merchanta to act for you as I live mear there.
