Has now been before the pupils for several years. During which time its value has been tested by those ands who were laboring under the numerous diseases which have their origin in a common Catarrh or Cold, and which this medicine is designed to cure. The result of this trial has been to place "Duncan's Remedy" at the head of the patent modicines of the day.

BY ITS OWN MERITS AND EXCLUENCE, it has attained a popularity exceding that of any other preparation, now offered to the public for the prevention and cure of that large and frightful class of diseases which so frequently lead to, and terminate in CONSUMPTION.
