A LETTER FROM DRS. LAWRENCE AND HENRICKSON. New Lebanon, State of New York. WORTHY FRIEND: - Having made a thorough trial of the Medicated Vavor Bath for four months past, in Worth Friend:—Having made a thorough trial of the Medicated Vavor Bath for four months past, in our societies in New Lebuson and Waterview, we think it but justice to state, that we consider it a valuable improvement in the healing art. Its power in reducing spasms, is certainly very great. In cases of obstituted perspiration, it is unquestionably the safest and best remedy that we have ever seen. Several persons in our society, who were scarcely free from a catarrial affection during most of the winter months for several years past, have found permanent relief by using the Bath a few times; and the prediaposition to THE Depot of the United States Portable
