LUNGS. Has now been before the pupilic for several years During which time its value has been tested by thousands who were laboring under the numerous diseases which have their origin in a common Catarih or Cold, and which this medicine is designed to cure. The resplt of this trial has been to place "Duncan's Remedy at the head of the patent medicines of the day.

BY ITS OWN MERITS AND EXCELLENCE, it has attained a popularity exceding that of any other preparation, now offered to the public for the preven-tion and core of that large and frightful class of discuses which so frequently lead to, and terminate it CONSUMPTION,

It is now offered to the afflicted with confidence as the BRET preparation for Coughs, Colds, &c. extant We are warranted in assuming for it this high characster, by the proofs, which we are constantly receiving, of the invaluable benefits derived from its use.
