Pittsburgh Infirmary. For the Removal of Deformities of the Human Frame and of Diseases of the Eye. THE subscriber has returned to the city and intends to establish an Infirmary at the corner of Wood and Fifth streets, for the reception and treatment of deformed members, such as Club or Reclined feet, contracted joints, wry-neck and Strabismus or Squinting, and of Diseases of the Eye. There is no Institution of this kind as yet in this country, though much needed. Patients from a distance would find it to their advantage to be operated on and to be attended to in an establishment exclusively devoted to the restoration of the above named deformities and diseases. The easy access to Pittsburgh, one of the healthiest spots in the country, by river and canal, almost at any season of the year, would offer great facilities for those desirous of being relieved. His ample experience and well known success give sufficient guaranty that the welfare of those entrusted to his care will be greatly promoted. ALBERT G. WALTER, M. D. Liberty, near the corner of Fourth street, July 3—dft
