HAT HAYWARD'S Patent Hot Air Cooking Stove. The subscriber having entered into the stove business, he is respectfully informing the public that he is carrying it on in his various branches at the warehouse of Messrs. Penock & Mitchell, No. 160 Liberty Street, where he will be prepared to supply all orders with any articles in his line.

RECOMMENDATIONS. Mr. R. Donovan—Sir: I have in use one of your Hot Air Cooking Stoves, which I got from you last Spring. It affords me much pleasure to recommend it to you as an excellent one. So far as my knowledge goes, I have no hesitation in saying it is the best stove now in use.

Mr. R. Donovan—Sir: I have had in use for five months, one of Hat Hayward's Hot Air Cooking Stoves, and I have no hesitation in saying it is the best stove now in use. The various kinds of cooking it is capable of doing at the same time, and the small quantity of fuel required, makes it an object worthy the attention of all who desire a good stove.
