IMPORTANT TESTIMONT. DR SWAYNE, Dear Sir:-In last October, while ex raged with Mr Joseph Smith, in a saw-mill near Waynesburgh, I was attacked with a cough from being exposed at night, which gradually increased, attended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet I was obliged to leave my business and return home. I was then attended by several physicians, but still grew worse, until my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of the public prints, an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me; I continued until I had taken five bottles; I am nowable to return to my work again.
