Wassington, July 34, 1888. Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satis, faction, and believe it to be a most valuable remedy. One

my constituents, Dr. A. Carden, of Calcabell county ennessee, wrote to me to send him some, which I did and he hazemployed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated. dicine. Should you commission him he is willing to act for you. You can send the medicine by water, to the care of Robert King & Sons, Knoxville county. Temera-see, or by land to Gralism & Houston, Trawell, East Tennersee. I have no doubt but if you had agents in-several counties in East Tennersee, a great deal of medi-cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like o hear from you whether you would like an agent at luntville, Sullivan County, East Tennesser: I can get
