Pittsburgh Infirmary,
For the Removal of Deformities of the Human Frame
(Diseases of the Eye.)
THE subscribers has returned to the city and intends to establish an Infirmary for the reception of Deformed, contracted joints, wry-neck, Eye, &c. &c. There is no Institution of this kind in this country, though much needed. Patients from a distance would find it to their advantage to be operated on and to be attended to in an establishment exclusively devoted to the restoration of the human frame to its natural form. The Infirmary is situated in Pittsburgh, one of the healthiest spots in the country, by river and canal, and at any season of the year, would offer great facilities for the cure of those who are afflicted with these various complaints. His experience and well known success give sufficient guarantee that the welfare of those entrusted to his care will be greatly promoted. ALBERT G. WALTER, M.D. sep 10
