I have no doubt but if you had agents in weral counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should fike to hear from you whether you would like an agent at Bluntville, Sullivan County, East Tennesser; I can get ome of the merchanteto act for you as I live mear there.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquidform it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.
