It affords me much pleasure to recom-mend it for its excellence. So far as my knowledge extends, I have no hesitation in saying it is the bea stove now in use. I need not particularize its merits but would advise all disposed to possess an article of the kind, to adopt the best method of satisfying them-selves, that is, to try it; and I doubt not they will be D. Washington Temperance House, Pittsburgh, Sept. 19, 1844. Mr. R. Donavon-Sim-I have had in use for five months, one of Hathaway's Hot Air Cooking Stoves, and I have no hesitation in saying it is the best stove now in use. The various kinds of cooking it is calcu-fated to do at the same time, and the small quantity

of fuel required, makes it an object worthy the attention of all who desire a good stove. THOMAS VARNER. Het Air Cooking Stoves; I have used the one you put up for me constantly all summer, and I must say it is a grand article. I believe it is superior to any other store now in use in this city. The oven bakes well, and is large enough to bake four large loaves of bread

at one time; if also cooks very speedily, and it require very little coal, I think them worthy the attention of all who wish a good stove to such I would say, try them and prove what they are.

Young in a case of Pulmonary Consumption, 1 felt it
my duty to make a brief statement in order that others that are or may be afflicted with the same complaint may be benefitted by the same remody.

He was attacked with inflammation in the left lobe of the lungs in March 1843, attended with acute pain, ulty of breathing, and a severe cough, which proceded rapidly to suppuration: and not withstanding the use and application of the best remedies prescribed by our authors, the complaint in a few days began to exhibit evident symptoms of ulceration.

In this distressing stage of the complaint, I had recourse to Dr Duncan's Expectorant Remedy for con-sumption, which had the effect of checking the disease immediately, and in a few days the pain coased, the breathing became froe and easy, the cough left him,

CERTIFICATES.—Letter, from the Bon. Abum M'Cleian, Sullivan County, East Tennessee, Memberof Congress WASSINGTON, July 34, 1838. Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Gasobell county nnessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recompend Dr. A Carden, as a proper person to officiate for the sale of your celebrates medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennes-see, or by land to Graliam & Houston, Taxwell, East Tennessos. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of media cine would be sold.
