Constable, Burke & Co. have been appointed agents for the sale, in this city, of Yales Patest Locks for Safes and Doors. Those who have experience in such matters, inform us that there is no doubt bus those Locks will supersede all others when their great superiority becomes known to the public. They furnish such a perfect barrier to the assaults of the "Picklock" and his "jiggers," that those who use them on their Safes and Doors may rest in perfect security. We understand that many of the Banks in the eastern cities are adopting thom in preference to she old Locks.
