THE FIRST MEDICINE OF THE AGE.
THE CELEBRATED DR. DUNCAN'S
EXPECTORANT REMEDY,
FOR CONSUMPTION.
COLDS, Coughs, Bronchitis, Asthma, Spitting of Blood, Difficulty of Breathing, Pain in the Side, Breast and Chest, Influenza, Whooping Cough, Croup and all diseases of the Liver and
LUNGS.
Has now been before the public for several years During which time its value has been tested by thousands who were laboring under the numerous diseases which have their origin in a common Catarrh or Cold, and which this medicine is designed to cure. The result of this trial has been to place "Duncan's Remedy" at the head of the patent medicines of the day.
BY ITS OWN MERITS AND EXCELLENCE,
it has attained a popularity exceeding that of any other preparation. now offered to the public for the prevention and cure of that large and frightful class of diseases which so frequently lead to, and terminate in
CONSUMPTION,
It is now offered to the afflicted with confidence as the BEST preparation for Coughs, Colds, &c. extant. We are warranted in assuming for it this high character, by the proofs, which we are constantly receiving, of the invaluable benefits derived from its use. Testimonials and recommendations of the strongest kind are constantly being received from all quarter, by the Proprietor and Agents.
In relieving cases of Asthma, Difficulty in Breathing, Pain in the Side and Breast, it is unequalled; in curing Bronchitis, Coughs and Colds, and in short removing all the symptoms of approaching Pulmonary Consumption,
ITS SUCCESS HAS BEEN UNPARALELLED.
No other medicine has proved itself so really invaluable. Thousands in Pittsburgh and the vicinity, are, as far as human agency is concerned, indebted to Dr. Duncan's Expectorant Remedy for prolonging life and health. Many persons after using the other cough medicines of the day without effect, have been completely restored by this truly
GREAT DISCOVERY in the HEALING ART.
A strong and undoubted evidence of its worth, is to be found in the high degree of popular favor which it has received since its introduction into the West.—Wherever an agency has been opened for its sale, and wherever it has received a fair and honest trial, it has become firmly established as a
STANDARD FAMILY MEDICINE.
It is rapidly superseding the use of the many nostrums, which have so long imposed upon the community, which have obtained their name only by puffing and braggadocia, and which are now destined to be thrown aside to make way for the best cough medicine of the present age. It is not pretended that it will positively cure every case of the disease, for which it is designed, but it is honestly believed that in every case where it gets a fair chance it will effect a cure.
Coming, then, before the people with the highest recommendations, it is at least, worthy of a trial by all who are afflicted with any of that large and dangerous class of diseases.
The following is a specimen of the numerous testimonials which we have received. It is from a PHYSICIAN of high standing in Ohio.
Dear Sir—Having had occasion to witness the effect of Dr. Duncan's Expectorant Remedy on Mr Eli Young in a case of Pulmonary Consumption, I felt it my duty to make a brief statement in order that others that are or may be afflicted with the same complaint may be benefitted by the same remedy.
He was attacked with inflammation in the left lobe of the lungs in March 1843, attended with acute pain, great difficulty of breathing, and a severe cough, which proceded rapidly to suppuration: and not withstanding the use and application of the best remedies prescribed by our authors, the complaint in a few days began to exhibit evident symptoms of ulceration.
In this distressing stage of the complaint, I had recourse to Dr Duncan's Expectorant Remedy for consumption, which had the effect of checking the disease immediately, and in a few days the pain ceased, the breathing became free and easy, the cough left him, and the expectoration subsided, the consequences of which was that in using six bottles he has recovered his health, and is restored to his family.
I do hereby certify the above to be true statement of my case as far as comes within my knowledge.

Ha! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say.
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try this great tooth wash,
The Teaberry tooth wash.
And see if this tooth wash of Thorn's is not fine.
Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use.
DAVID HUNT, Dentist.
Pittsburgh, Sept. 15, 1842.
I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.
J. P. TIBBETTS, M. D.
The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

HATHAWAY'S
Patent Hot Air Cooking Stoves.
THE subscriber having entered into the stove business in Pittsburgh, respectfully informs the public that he intends carrying it on in its various branches at the warehouse of Messrs. Fenwick & Mitchell, No. 160 Liberty street, where he will be prepared to supply purchasers with any articles in his line. In addition to other Stoves which he will have on hand, he has obtained the right to manufacture and sell Hathaway's Patent Hot Air Cooking Stoves. This stove is pronounced superior to any other now in use in the United States; it is more durable in its construction, and better adapted to the use of baking, roasting and cooking, as it is heated very regularly by confining the air in the stove; and it is a great saving of fuel as well as labor. I will keep on hand a sufficient number to supply all demands if possible; I have five different sizes, and will sell them on reasonable terms, according to sizes. I have now in use upwards of fifty in and about this city; all put in use within six months. Being aware that the People of Western Pennsylvania have been imposed upon by the introduction of new and highly recommended Stoves which were badly constructed, and having soon failed and become useless. I will grant to persons wishing to procure the Hot Air Stove, the privilege of using it a sufficient length of time to prove its superior quality before I ask them to purchase, Persons notifying me from a distance by letter, can have stoves put up at any time, as I have wagons to carry them out; I therefore invite Farmers and all persons to come and judge for themselves; also to try them and prove that it is to your advantage to have one. All orders will be promptly attended to by the subscriber.

RECOMMENDATIONS.
Miller's Mansion House, Sept. 19, 1844.
Mr. R. DONAVAN—Sir: I have in use one of Hathaway's Hot Air Cooking Stoves, which I got from you last Spring. It affords me much pleasure to recommend it for its excellence. So far as my knowledge extends, I have no hesitation in saying it is the best stove now in use. I need not particularize its merits, but would advise all disposed to possess an article of the kind, to adopt the best method of satisfying themselves, that is, to try it; and I doubt not they will be satisfied.
D. H. MILLER.

Washington Temperance House, Pittsburgh, Sept. 19, 1844.
Mr. R. DONAVAN—Sir: I have had in use for five months, one of Hathaway's Hot Air Cooking Stoves, and I have no hesitation in saying it is the best stove now in use. The various kinds of cooking it is calculated to do at the same time, and the small quantity of fuel required, makes it an object worthy the attention of all who desire a good stove.
THOMAS VARNER.

☞ I embrace this opportunity to recommend the Hot Air Cooking Stoves; I have used the one you put up for me constantly all summer, and I must say it is a grand article. I believe it is superior to any other stove now in use in this city. The oven bakes well, and is large enough to bake four large loaves of bread at one time; it also cooks very speedily, and it requires very little coal, I think them worthy the attention of all who wish a good stove; to such I would say, try them and prove what they are.
