ELIZA McDONALD. Medicated Vapor Bath. COPY OF A LETTER FROM DRS. LAWRENCE AND

HENRICKSON. New Lebanon, State of New York. WORTHY FRIEND:—Having made a thorough trial of the Medicated Vavor Bath for feur months past, in societies in New Lebanon and Watervliet, we think it but justice to state, that we consider it a valuable provement in the healing art. Its power in reducing both chronic and acute inflamation, also in remov ing spasms, is certainly very great. In cases of obstructed perspiration, it is unquestionably the safest and best remedy that we have ever seen. Several persons in our society, who were scarcely free from a catarrhal affection during most of the winter months for soveral years past, have found permanent relief by using the Bath a few times; and the predisposition to take cold, as it is commonly termed, seems to be whol ly removed. Obstructed perspiration, is certainly in our changeable climate, one of the most fruitful sources of disease, and any remedy that is capable of re moving the predisposition to it, must be considered a great blessing to mankind; and as such we do not heaind the Medicated Vapor Bath.

performed by Dr. Swayne's Compound Syrup of Wild Cherry.

The wonderful cures performed by this invaluable medicine, in Pulmonary Consumption, Coughs, Colds, Asthma, Bronchicis, Influenza, Whooping Cough, Croup, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Tickling or Rising in the Throat and all diseases of the Lungs, and Breast, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages, furnishing a parallel; the almost miraculous cures effected by this extraordinary medicine are unprece-

ing exposed at night, which gradually increased, at able Tailor Shop, Philadelphia, he confidently assures nded with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholobliged to leave my business and return home. I was then attended by several physicians, but still grew worse, until my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of the public prints, an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me; I continued until I had taken five buttler. I am pourable to return to my had taken five bottles; I am now able to return to my work again. I write this to offer you my sincere teanks, and you are at liberty to make th's known, so that if any human being is suffering as I have been, they may have recourse to your invaluable medicine Yours.

Young in a case of Pulmonary Consumption, I felt it my duty to make a brief statement in order that others that are or may be afflicted with the same complaint may be benefitted by the same remedy.

He was attacked with inflammation in the left lobe of the lungs in March 1843, attended with acute pain, great difficulty of breathing, and a severe cough, which proceded rapidly to suppuration: and not withstanding the use and application of the best remedies prescribed by our authors, the complaint in a few days began to exhibit evident symptoms of ulceration.

In this distressing stage of the complaint, I had recourse to Dr Duncan's Expectorant Remedy for consumption, which had the effect of checking the disease to all who may favor him with their patronage. immediately, and in a few days the pain ceased, the breathing became free and easy, the cough left him, and the expectoration subsided, the consequences of which was that in using six bottles he has recovered

his health, and is restored to his family.

of my constituents, Dr. A. Carden, of Calanbell county concessee, wrote to me to send him some, which I did and its has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tenness e, or by land to Graham & Houston, Tazwell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of media. cine would be sold. I am going to take some of it home for my own ese, and that of my friends, and should like to hear from you whether you would like an agent at Bluntville, Sullivan County.
