with sincere pleasure your return to that station amongst us which you have so long and so depose that a man's worldly success is to be promoted by his having the good-will, instead of the ill-will, of his follows? In the one case, it is himself and a thousand more influences work in to the end; in the other, it is himself working to it, but a theusand secret inces working against it. Considering the difficultine which they success of the selfish are far more wonderful than those of the generous. Where, with competent prudonce and skill, there is a natural suavity towards others, accompanied by a practical liberality according to the measure of the understood means, all works well: and altimate triumph is certain. But the prosperity of the thorough scrab, attained amidst the contempt and detestation of the public, can never be anything

For these reasons, I regard true, and who claims the febring under a natural continues at to smile the febring under a natural continues at to smile the febring under a natural continues at to smile the candidates who have been selected for their suffrages by the Conventions of the Information

WASHINGTON, Dec. 11th, 1814. Sustant." I should gladly accept this agreeuble invithis city at the time appointed.

The recent victory has indeed been glorious. It is thing to regret in their election.

the triumph of those principles which will secure and perpetuale our free institutions. It is to these glorious persons our recent upon our flug above, and not to the mere standard bearers beneath, that democrats pay their devotion. And yet our three standard bearpay their devotion. And yet out title standard of a free charging them with knavery and falsehood. President of the United States, he will disapp all reproach, his country's good will be the polar star of his administration; and his own glory and lasting benefits to the people of the United States, will be his right reward, provided he be not thwarted by premarking attempts to divide the party in a struggle for the personner.

The white made many other blundar is shown as expectations of his political foes, and will surpass even the high hopes of his friends. Prudent, firm and surpass even the high hopes of his friends. next presidency. His own nomination and triumphant election ought to warn the friends of all impatient municipal campaign, and the above are the principal

be the last in reaching the goal.

The leading characteristic of Mr Polk's mind is an almost unerring judgement, which eminently fits his for the high position to which his country has called him. During his long and varied services in Congress,

by the entire democracy in his efforts to confirm and strengthen the great and glorious party which has brought him into power, and our late triumph will be tout the precursor of new victories. The party must support him with an unbroken front, in order to sus.
tain itself in the presence of the powerful and intellectain itself in the presence time, we shall select anothbartle. At the appropriate time, we shall select another candidate, as Alexander did his successor, and bestow the highest office in the world upon the man who shall then have proved himself to be the most worthy. In conclusion, permit me to offer you the following

whove all; and afterwards, a fair selection among its wotaries of the most honest and capable public agents, to give these principles effect.
With manythanks for the kind terms toward myself Personally, which you have employed in your invita-personally, which you have employed in your invita-tion, Iremain, very respectfully, your friend.

JAMES BUCHANAN.
