Mr. Johnson, your agent at. his place, thinks you would probably like an agent in Penpessoe. If so, I would recommend Dr. A Carden, an proper person to officiate for the sale of your ociebrate e. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Teanes ice, or by land to Graham & Houston, Taxwell, East. Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of mediine would be sold. I am going to take some of it home or my own use, and that of my friends, and should tike to hear from you whether you would tike an agent at Bluntville, Suligan County East Tennessee; I can get ome of the merchantato act for you as I live near there .
