Carden, of Ca.onbell county ennersee, wrote to me to send him some, which & did and he has comloved it very successfully in his practice. and says it is invaluable. Mr. Johnson, your agent at, this place, thinks you would probably like an agentim Yennessee. If so, I would recommend Dr. A Carden. so a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for yon. You can send the medicine by water to the care of Robert King & Sans, Knozville county, Tennes-see, or by land to Graham & Houston, Taxwell, Fast Tennessee. I have no doubt hut if you had spents in everal counties in East Tennessee, a great deal of methine would be sold. I am going to take some of it home for myown use, and that of my friends, and should like to hear from you whether you would like an agent at luntville, Sullivan County East Tennesser; I can get some of the merchants to act for you as I live near there.
