WASHINGTON, July 3d, 1838. Sir\_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Calonbell county Tennessee, wrote to me to send him some, which I did und he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at fils place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, at proper person to officiate for the sale of your celebrated redicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazwell, East Tennessee. I have no doubt but if you had agents imseveral counties in East Tennessee, a great deal of media cine would be sold. I am going to take some of it house for myown use, and that of my friends, and should like o hear from you whether you would like an agent at Bluntville, Sullivan County East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully, ABBAHAM M'CLELLAN, of Tennes-ce.
