COPY OF A LETTER FROM DRS. LAWRENCE AND HARRICKSON. New Lebanon, State of New York. WORTHY FRIEND:—Having made a thorough trial of the Medicated Vavor Bath for four months past, in our societies in New Lebanon and Watervliet, we think it but justice to state, that we consider it a valuab improvement in the healing art. Its power in reduc-ing both chronic and acute inflamation, also in removing both chronic and acute inflamation, also in removing spasms, is certainly very great. In cases of obstructed perspiration, it is unquestionably the safest and best remedy that we have ever seen. Obstructed perspiration, is certainly in our changeable climate, one of the most fruitful sour-
