eding Regulator for this city, last year, has been reled, Mr M'G. is a very competent surveyor and Engineer, and offers his services to the public in these branches of his profession. See his card. PAREWELL CONCERT.-Mr E P Christy and his band give their farewell Concert this evening, when they will appear, during the first part of their entersent, in Cilizens' Dress. They have been great verites in this city, and deservedly, too, we think; and their last appearance will no doubt be witnessed by a large audience. water added to them. Now water, dust, cornmeal and fluxseed meal are plenty here, and we can eat dition of Bunyan's Pilgrim's Progress, which for the them in their purity, if so it pleases us, without paybesity of its typography, and embellishments, deserves special praise. It is published under the direction of the Presbyterian Board, and is certainly most creditable to the artists concerned in bringing it out. The paper and letter-press are superior, and the engravings have never been surpassed in this country. Those who admire the writings of Bunyan, will be glad to possess themselves of this celebrated portion of them ia a splendid form.
